amazon + BookBaby

The best way to sell your book on Amazon (and everywhere else).

Everyone knows Amazon is one of the best places to sell your book,
but it shouldn't be the only place your book is available.

When you publish with BookBaby you can manage your Amazon sales
through your BookBaby account, plus enjoy distribution in dozens
of stores and book distributors around the world.

Bottom line: BookBaby is the easiest way to get the best of both worlds.

Promote your eBook
with Amazon KDP Select.

The easiest way to self-publish your book

What's the difference between a writer and an author?

The answer? A published book. Sure it sounds simple, but there's a journey between those titles.

Happily, I can report that thousands of BookBaby authors make the transition every week. After their book launch, we survey them and ask: What was the key to their successful publish? The answer is almost always the same: "My publishing team."

Their winning team can be your team, too. From your very first conversation, you're talking to experienced publishing professionals who have helped produce thousands of printed books and eBooks—including quite a few Amazon and *New York Times* bestsellers. BookBaby is the only self-publishing services company that has invested in this expertise for your benefit.

Your dedicated team consists of:

- Frontline publishing specialists who can answer every question and advise you on every aspect of your book project. From every genre to every topic, they've worked with every kind of book—including yours.
- World-class editors, typesetters, and designers who sharpen and shape your language, and then create eye-catching book covers and beautiful interior formatting.
- Skilled printing technicians and bindery professionals who oversee every last detail to create high-quality softcover or hardcover books.
- Distribution and marketing experts who know where and how you can find readers. BookBaby boasts the largest distribution network on the planet, and lists your book in every major online store including Amazon, Barnes & Noble, Walmart, and dozens more. Libraries, too.

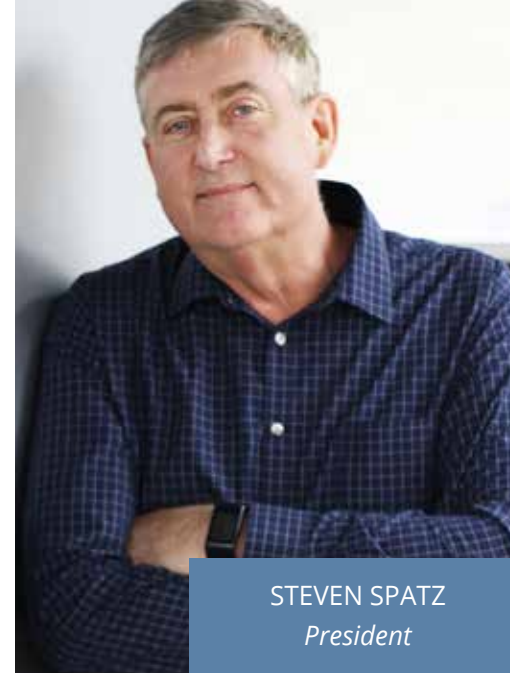

When a lot of people think of the term "self-publishing," they think it's some kind of Do-It-Yourself process. In fact it should be quite the opposite. Your book deserves the chance to be discovered and read. The best way to achieve this goal is to enlist publishing experts with decades of experience in this industry. We're just a click or phone call away.

STEVEN SPATZ
President, BookBaby

P.S. Rest assured: From your edited manuscript to your last printed copy, your satisfaction is 100% guaranteed.

SOFTCOVER BOOKS

The proof is in the printing.

If you want to be recognized as a professional author, you need to look the part—right down to your book’s quality. Make the softcover of your dreams with all the paper stocks, cover finishes, and other options that go into professional book printing.

Unlike most self-publishing companies, we print our own books right here in our factory outside Philadelphia. Our in-house print shop delivers exceptional craftsmanship, with experienced technicians taking pride in every aspect of the book creation process—from checking your files before printing to binding your book together.

Available in all popular trim sizes

Complete list available online.

JOHNNY QUACH, Master Printer

"Our color books are printed in our own print shop, with HP ElectroInk (not dry toner), on top-tier HP Indigo presses. It's why we can guarantee your books will have superior printing quality—on every page and across every copy. Your book deserves nothing less."

GINO VASQUEZ, *Conversion Team Leader*

"Authors with coding experience can convert eBooks themselves with third-party software. But for most, turning a manuscript into an eBook is a complex process where it's easy to miss steps, like verifying metadata."

The only guaranteed way to make a professional eBook is with expert help. We'll manually convert, check, and publish your eBook then send you a free proof to approve our work before it's published."

eBOOKS

Go digital with a human touch.

Conversion & Distribution for \$299
(Included with all Self-Publishing Packages.)

She loves her Kindle. He prefers his iPad. And if you want to reach them both, then your book needs to be formatted for the digital world. eBooks are one of the best ways to reach millions of readers across the map. Sure, there are cheap solutions you can use to make your own. But they involve trusting your hard work to a clunky automated converter, with no guarantee you'll love the results. Many authors end up with odd characters, formatting issues, and no customer support available when they need it.

You deserve better. You deserve a team of publishing professionals that convert and check your eBook so it's guaranteed to work correctly on all popular eReaders, including Kindles, iPads, iPhones, Androids, and PCs.

Includes:

- Hands-on file conversion by experts.
- Free eBook file proof for your approval.
- Global distribution to 60+ stores. *See page 15.*
- Lifetime customer service.

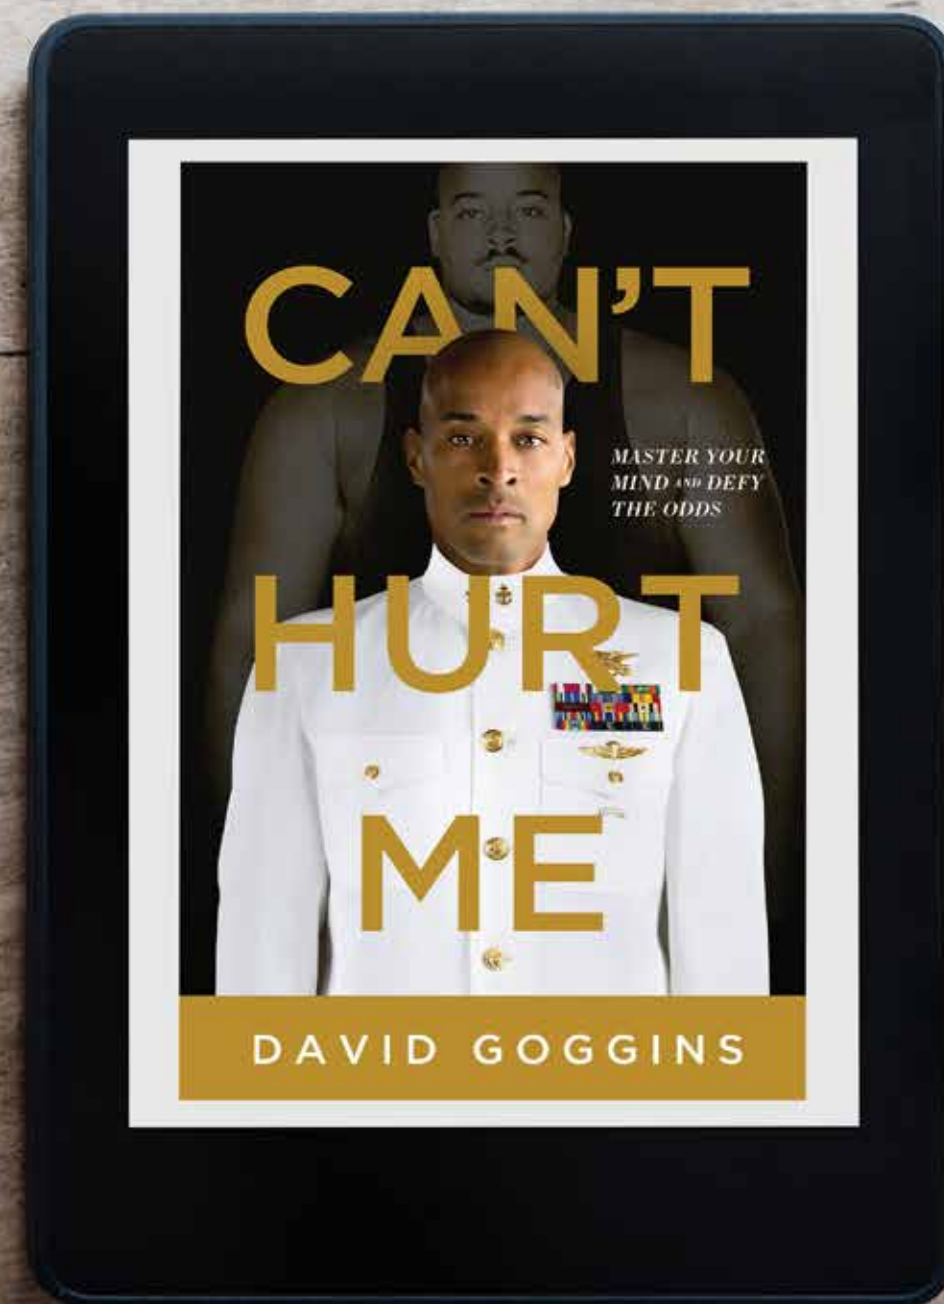

KDP Select for your eBook launch. *Free* for BookBaby authors.

Amazon's KDP Select program offers great promotional benefits, including book giveaways and Kindle Unlimited subscription sales. It's highly recommended for authors as a way to attract interested readers during your book launch. But here's the catch—you must distribute **ONLY** through Amazon's platform during the first 90 days.

BookBaby is the only company that combines Amazon's benefits with global distribution to other leading bookstores. Take advantage of Amazon's features when your book is released, and *then* distribute your book worldwide, all from your BookBaby account. We'll help you manage your global book distribution plan—for free!

BookBaby takes ZERO commission on your net eBook sales from Amazon, Barnes & Noble, and other retailers.

BOOK EDITING

Turn good writing into a great book.

You've spent months—maybe years—perfecting your manuscript. The last thing you want is your hard work being spoiled by tiny mistakes. But it's impossible to accurately and objectively review your own work. That's why professional editing has always been an essential part of the publishing process.

Fact: No book has ever become a bestseller without professional editing. It's one of the best investments an author can make, paying off with readers, reviewers, and your writing career. So make no mistake: your book needs it too, done by a seasoned pro.

BookBaby Editing Services are for authors who need professional editing at an affordable price. We take the guesswork out of choosing the right wordsmith for your book. Our vast pool of editors has worked on all types of fiction genres and non-fiction topics. Through BookBaby, you gain access to the same editors working with traditionally published authors around the world, including many who land on the *New York Times* Best Sellers list.

Line editing: \$10 per page

A more intensive structural edit that focuses on the finer aspects of language—the flow of ideas, transition elements, tone, and style.

- Correction of awkward constructions and suggestions to make sentences crisper and tighter by fixing redundancy.
- Review of key aspects of the manuscript—the narrative, vocabulary, structure, characterization, style, and development.
- Editor's notes and overall comments on the book.
- Editing time: 8 to 10 business days.

Copy editing: \$7 per page

A basic word-by-word edit that addresses grammar, usage, and consistency issues.

- Check for typographical errors, spelling errors, and consistency aspects; correction of grammatical and linguistic errors; attention to punctuation.
- A review to ensure accurate and consistent usage.
- Editing time: 6 to 8 business days.

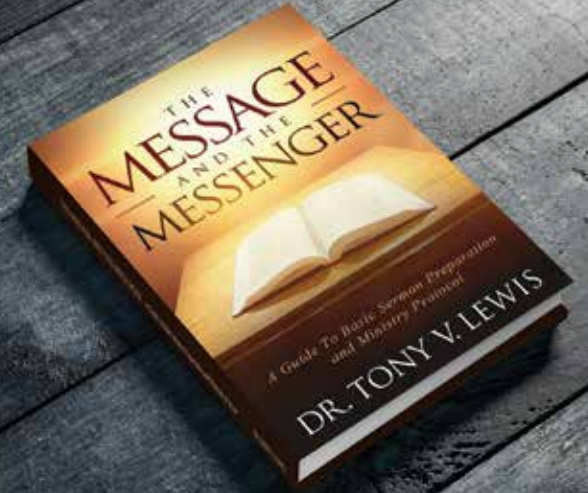

Proofreading: \$3 per page

A final review that fixes any lingering mechanical and grammar issues before your book is printed and published.

- Correction of misspellings, punctuation, capitalization, verb tense, and grammar issues.
- Editing time: 6 to 8 business days.

New!

Editing services are now available in Spanish.

"I should have paid to have it edited. It would have saved me a lot of money in the long run."

DR. TONY LEWIS

Author, *The Message and the Messenger*

When Dr. Lewis chose BookBaby to self-publish, our Publishing Specialists recommended that someone else should edit his book. "But I didn't want to spend any more, or invest the time. I just thought to myself, 'Nah, I'm not going to do it.'"

Two days after his press release, his sister texted images of the errors she found throughout his book. Those mistakes forced him to scrap all of his printed books. "They were worthless. All that money down the drain."

Take it from Dr. Lewis: "If you don't pay for editing, it's going to cost you in the long run. It's a process that just can't be rushed. Authors need to take their time and do it right."

PRINTED BOOK DISTRIBUTION \$399

(Included with all Self-Publishing Packages.)

Print On Demand is the most cost-effective way to get your printed book directly to readers, allowing you to sell your printed book worldwide without having to worry about unnecessary print runs, inventory storage, or shipping. It's available with any self-publishing package you choose, or when you order 25+ printed books.

With Print On Demand you:

- Access the world's largest distribution network and competitive royalty payouts.
- Get paid 50% of your retail price with every book sold on BookBaby Bookshop.
- Track your sales reporting on your account dashboard.
- Get a wide selection of trim size and color printing options.
- Can print large book quantities, as few as 25 copies.

You'll be able to get your book in the world's leading bookstores, including:

bookbaby.com/ebooks

Some say you have to hook your readers with the opening line. But they won't make it that far if your book cover doesn't pull them in. A captivating look gives your book its best shot at standing out on the bookshelf. And our professional designers have the skills needed to create an engaging cover for your book. Learn more at bookbaby.com/design

"Your book cover is the first thing readers see, making it your most important selling tool. And with more and more self-published titles lining up on bookshelves every year, grabbing attention can be a challenge. But that's why we don't use templates. Ever. Your book cover is custom-designed to professionally present your book's themes and who you are as an author."

We'll design one central image that will both grab the reader's attention and convey the subject of your book.

Graphic elements, textures, and photo blending are combined to create a scene that showcases your book's content.

Printed book formatting starting at \$399

(Included with Complete and Deluxe
Self-Publishing Packages.)

Book formatting (also known as typesetting) transforms your manuscript into a professional layout that grabs attention and makes it easy for readers to navigate your book content. It's so ingrained as a publishing standard that readers don't even recognize it—unless it's done poorly or not at all. Book formatting may look simple, but it's a subtle art best trusted to an expert book designer. Otherwise you risk missing details, creating inconsistencies, and being left with an amateurish book that won't hold interest for long.

Our experts will help you deliver a delightful reading experience to distributors, reviewers, and readers by custom designing a layout that includes all the elements of a professional book:

- Title pages
- Table of contents
- Chapter headings
- Fonts
- Running headers and footers
- Image placements
- Page numbers
- Line spacing

From there your book is tightened up, page by page, with a focus on matching your overall tone. Once finished, you'll get a free and fully formatted proof to review and approve.

Expert eBook formatting
starting at \$299.

GINA STEWART & AMY EPRIGHT
BookBaby Designers

"Part of being a professional author is looking the part. It's our job to handle the details that add up to a book your readers will stick their noses in."

We'll find a typeface that's not only readable but works well within your book genre. If your book has text and visuals, we'll create a page hierarchy that fits all of your content and is still easy-to-follow.

It can be tough to keep track of these things. But that's why you have us. We're here to make sure all the little things add up to a compelling book with a big presentation."

BOOK MARKETING AND PROMOTION

Sell direct to readers with BookBaby Bookshop

Bookshop is your free online page to sell printed books and eBooks directly to your readers. See how Bookshop helps you score more sales, get paid faster, and take charge of your book sales:

MORE CONTROL

SOCIAL ADS FOR AUTHORS *New!*

Billions of people actively use social media every day. We'll help you target your potential readers and spread the word about your book online. You decide your ad budget. We'll do the rest:

- Develop a custom ad campaign targeting your book's ideal readers.
- Send readers to buy your book on Amazon or Bookshop.
- Share weekly reports tracking your ad performance.

WHY PUBLISH WITH BOOKBABY?

Experts you can count on

Our publishing specialists are here for you by phone and email to provide the answers and support you need on your way to a published book.

Your book—everywhere

Reach readers worldwide with the world's widest distribution network, including 60+ eBook retail stores across 170 countries and global Print On Demand.

Your one-stop shop

Get all the essentials to your publishing dreams in one place, from printing to publishing to promotion.

A variety of sizes and styles

Shape your book into any popular hardcover or softcover trim size, complete with your choice of binding style, cover finish, paper stock, and black & white or full-color printing.

Keep 100% of your net eBook sales

We take zero commission when you sell your book through online retailers, including Amazon, Apple Books, Barnes & Noble, and more leading bookstores.

Make more money on Bookshop

Customize your own e-commerce page, sell printed and eBooks directly to readers, and earn more royalty payouts than anywhere else.

Start with just one book

Test our printing with a retail-quality proof for \$39. This copy is an exact version of your finished books, made with the same equipment in the same print shop.

100% satisfaction guaranteed

Your book's in good hands, supported by the industry's only satisfaction guarantee. If you're not thrilled with the books you receive, we'll work with you till you are.

I guarantee you'll be happy with our work.

"With over \$20 million in royalties paid to our authors, I stand behind our products and services with the strongest guarantee in the book and publishing businesses. Our team will be by your side at every step of your publishing journey. All you need is a finished manuscript to get started."

STEVEN SPATZ
President, BookBaby

What our authors have to say:

Professional, Competent, and Thorough.

"Excellent customer service! When I first reached out, Darcy answered all my questions and concerns. I used the free editing sample first. The feedback was excellent, so I am sending my chapters for line editing as I complete them."

I'm BookBaby for Life!

"I've published 4 books with BookBaby now. I love the consistency, the help and the easy access to your own bookshop. I've done both ebooks and Paperbacks. Great price for all the wonderful tools you get, plus 25 copies of your new book."

Awesome Experience... Thrilled With My Novel

"My experience with BookBaby from start to finish was awesome. Everyone I spoke to from the production team was equally as caring and very helpful with anything I needed. Fabulous company."
